The People Center

Neighbor Helping Neighbor

We are here to help in times of transition.

The mission of The People Center is to provide a safe place for the people of the area to come, to be heard, and to receive practical assistance in an atmosphere of dignity and trust.

In times of emergency or uncertainty, we will respond with **food, clothing, transitional housing**, and access to other area resources.

The People Center

Food Pantry

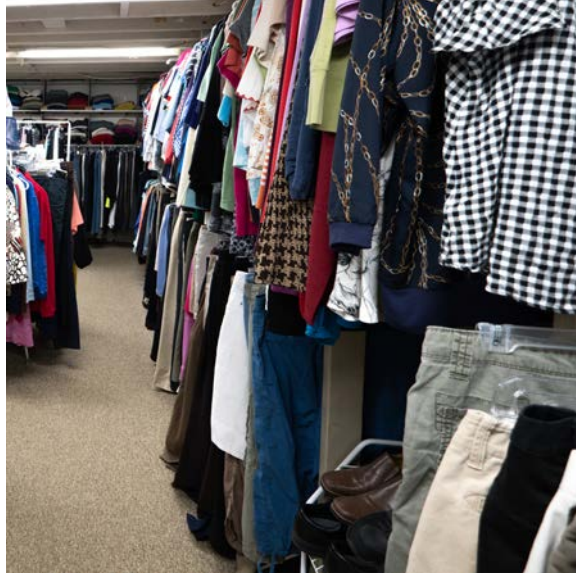

Our food pantry provides a three-day supply of food up to four times per year to area families in need. We receive food and toiletries from private donations, by shopping local sales, and we maintain a seasonal garden to offer fresh produce.

The People Center

Clothing Hutch

Gently used clothing and housing items to provide families with a new start. This is accomplished through accepting donations from our giving community.

The People Center

Transitional Housing

The People Center has a housing program consisting of six transitional apartments where we can house people who face a housing crisis. Our goal is to help families become self-sufficient and be able to obtain and maintain affordable housing.
